

HIGHLANDS PRESBYTERIAN CHURCH ADVENT SERVICES AND GIFTS – 2018

Sunday, December 16, at 10:30 AM, Highlands Presbyterian Church, 6909 Smoky Row Road, Columbus, will hold its annual service of Lessons and Carols. During this busy time of year when we focus on buying presents for our friends and family, we sometimes forget the presents that we receive from Christ.

This simple but dignified service will include eight Scripture lessons about the presents that we receive from Christ. After each lesson, the choir or the congregation will sing a carol or hymn that reflects on the lesson.

This year, the Senior Choir of Highlands Presbyterian Church will be directed by Geoffrey Gear and accompanied by organist/pianist Hayden Glasgow. We invite the community to attend this meaningful service.

After this service, we will hold our annual Alternative Gifts sale, providing those less fortunate in this country and around the world with the materials and education to enhance their lives through technology, agricultural improvements, and compensation for their handiwork. We provide gift cards for those to whom you have dedicated your purchase of various artifacts and agricultural goods.

Christmas Eve Candlelight Service, 9 PM, with music starting at 8:45 PM.

See www.highlands-presbyterian.org, Concert Series, Archive, for audio on previous concerts and Lessons and Carols services, and for future concerts.
